--	---	---

Do not contain substances listed in the candidate list of substances of very high concern (SVHC) above the 0.1% threshold as stated in REACH Recast) to the declared knowledge of our material suppliers. These substances are not added during production of the products.

The candidate list was published by the European Chemicals Agency (ECHA) in Helsinki on October 28, 2008 and last updated on January 16, 2020

The criteria for SVHC are defined in Article 57 of regulation (EC) No. 1907/2006. The substances are possibly published in Annex XIV (List of substances subject to authorization) of the REACH regulation. The candidate list is available on the website of the European Chemicals Agency (ECHA): <http://echa.europa.eu/web/guest/candidate-list-table>.
