

Type 582/586 Pressure Regulating Valve Assembly Aid

GF Part Number for valve selected: _____

Please indicate pressure gauge location by marking an "X" next to desired option(s).

Maximum of one gauge per side.

Flow left to right - Install side A

Side A gauge measuring upstream: _____

Side A gauge measuring downstream: _____

Flow right to left - Install side B

Side B gauge measuring upstream: _____

Side B gauge measuring downstream: _____

Please indicate pressure gauge material by marking an "X" next to desired option(s).

Pressure gauge material options:

Gauge guard options:

Brass/EPDM: _____

PVDF/EPDM: _____

Stainless Steel/EPDM _____

PVDF/FPM white (HP): _____

Brass/FPM white (HP) _____

Stainless Steel/FPM white (HP) _____
